

INTO LIGHT PROJECT

The North Berkshire HEAL Coalition and Berkshire Overdose and Addiction Prevention Collaborative (BOAPC) invite you to the *Into Light* Project.

Into Light is a nation-wide arts activism project that reduces stigma around the opioid epidemic and brings awareness to the reality of lives lost due to overdose.

The installation includes ten new portraits of Berkshires residents we have lost. The road to recovery starts with a conversation.

Into Light begins the conversation.

Join us for a special opening reception.
