

The Recovery Center is Good to Go!

Thanks to the cooperation of the community of Danvers, we have created a safe space for resources about Substance Use Disorder.

The Recovery Corner is located in the Peabody Institute LIbrary of Danvers, MA on the 3rd floor in the right back corner as you get off the elevator.

We're just getting started! If you have any materials related to Substance Use Disorder please send them as an attachment to danversoutreach@noblenet.org

Rock On, Danvers!

Our thanks to:
