Understanding Federal Healthcare Changes, Health Coverage Options, and Respiratory Illness Prevention in Massachusetts

We invite you to join the Massachusetts Department of Public Health, MassHealth, and the Massachusetts Health Connector for an upcoming webinar. Changes at the federal level are affecting health coverage and eligibility requirements for some Massachusetts residents. As these changes take effect, it is important that residents,and the organizations that support them have clear, reliable information about maintaining coverage, understanding available options, and accessing preventive care.

November 2, 2026
11:00 a.m -12:30 p.m.
